

# TESCO Bags of Help

## Vote for PIER!

Petrus Incredible Edible Rochdale has been shortlisted as one of 3 community groups to be awarded funding from the Tesco Bags Of Help Fund.

The award will make a huge difference to our allotment and how much we are awarded depends on the results of a public vote held in local Tesco stores from the 31st October – 13<sup>th</sup> November.

**It would be great if you could vote for us!**

**3<sup>rd</sup> place £8,000**

At a minimum we will be awarded funding that will help us to build a cooking area complete with a clay oven and barbeque and observation deck along the river and duck houses!

**2<sup>nd</sup> place £10,000**

All of the above plus funding to extend the pathway along the river to open up more growing space.

**1<sup>st</sup> place £12,000**

All of the above plus a generator for electricity on site and woodworking tools to make bird boxes, planters and other items we can sell and use the money to put back into the project.

**Fingers Crossed!!!**
